

# Who is Print Partner?

**Print Partner** is the channel subsidiary of **Green Office Partner**, an international provider of **Managed Print Services, Document Management Solutions, and Workflow Optimization**, serving clients across the United States and Canada.

We serve clients of all sizes — from single-location offices to multi-location enterprises. Our team handles sales, installation, helpdesk, fulfillment, & service calls for copiers & printers.

## Your MSP's Trusted Partner for Managed Print Services

We offer free flexible engagement through tiered partnership levels: Silver, Gold, & Platinum — based on your needs and goals.

### Program Benefits Include:

- Industry-leading commission/SPIFF revenue program
- Full marketing support: email campaigns, joint webinars, MDF funds & much more
- Strategic collaboration throughout the partnership
- Territory protection from other print vendors entering the Managed IT space
