

Xerox® C410 Color Printer

Brilliantly dependable.

Simplicity meets benchmark reliability and comprehensive security with the C410 — a printer that gets the job done. With right-sized functionality, including fast print speeds, high-quality output and optional Wi-Fi, it's everything you need and nothing you don't.

EASE COMES STANDARD

The C410 Color Printer is ready to work hard right out of the box without IT support. The Xerox® Easy Assist App provides guided, hassle-free Wi-Fi setup through the convenience of your mobile phone, so you can get on with your day and start printing in minutes, not hours.

Perfect for small to mid-size teams that need dependable printing, this device is incredibly easy to use, supporting productivity instead of getting in your way. The 4.3-inch touch screen simplifies every interaction, and makes the printer status clear.

With day-in, day-out reliability, you can trust this device to work just as hard as you. That translates to one less thing on your mind and off your plate. Without printer worries, you're free to do what you do best.

CONVENIENTLY COMPACT

Time and office space are at the top of your list. That's why this device is specially designed to help you get more out of both.

Ideal for point-of-need and tight office spaces, the C410 Color Printer is quiet, lightweight and has a small footprint. Whether it's under a counter, at a reception area or on a desk, this right-sized printer fits exactly where you need it to.

MAKE WORK EASIER

Think you need to call IT for maintenance or troubleshooting? Think again.

Advanced tools such as Xerox® Easy Assist, Xerox® Print Drivers and the Xerox® Print and Scan Experience provide enhanced productivity features and offer a better way to install, use and manage your printer.

In addition, the C410 Color Printer is made for mobile workers like you, with built-in support for Apple® AirPrint®, Mopria and Wi-Fi Direct.¹

With the ability to print Microsoft Office files directly from a USB drive, it's even easier to keep work moving.

SUSTAINABLE SAVINGS

Made up of 25% or more post-consumer recycled plastic, the C410 Color Printer gives new meaning to being environmentally responsible. This device meets the strictest globally recognized standards for product environmental performance, including EPEAT, Blue Angel and ENERGY STAR®. The Xerox® Green World Alliance® program simplifies collection, reuse and recycling of spent imaging supplies.²

QUALITY THAT CAN'T BE MISSED

The C410 Color Printer elevates your everyday communications with vibrant color that creates impact. The high-resolution output of 1200 x 1200 dpi provides crisp text and outstanding image quality so your important documents look their best.
